

DURHAM'S PREMIER VENUE

Our new, purpose built facilities are the ideal venue for your meeting, seminar, training or CPD session, assessment centre or interview.

Based on the outskirts of historic Durham city, we are to be found less than half a mile's dual carriageway drive from the A1(M), in the modern and convenient setting of Belmont Business Park. Virtually equidistant between the population centres of Tyneside, Teesside and Wearside, our venue is accessible for the whole of the North East, thereby maximising delegate attendance.

We offer a range of **meeting rooms, training, presentation and interview suites** catering from one to one interviews to seminars for up to seventy delegates.

Our flexible meeting rooms can be arranged in a number of different ways to accommodate most requirements, and our interactive training suite offers a classroom facility for up to seven students. A break-out area is also available for your delegates' use during breaks in your programme.

Excellent, flexible facilities and state of the art presentation and AV equipment come as standard, as do free secure, CCTV monitored, delegate parking and the warmest of welcomes from our dedicated meeting organiser, whose sole job it is to ensure the smooth running of your event. See separate details for room configurations and technical specifications.

And here's the best bit - our rates are extremely competitive and available to book by the hour, half-day or day. Our up to date Rates Guide is available on request, but just give us a call to let us know your requirements and we'll reply straight away with an outline of availability, a personalised quotation, and the different hospitality packages on offer.

How to find us

From Junction 62 follow the A690 in the direction of Durham City. Take the first exit from this dual carriageway, signposted Belmont and Dragonville, onto the slip road. At the top of this slip road, turn left. Travel for around two hundred metres to a set of traffic lights – there will be a pub on the corner called the Broomside. Turn left here, signposted Belmont Business Park and Industrial Estate; after 100 metres or so, take the first right into Belmont Business Park. Allergate House is to be found at the third entrance on the right, adjacent to the road.
